PROPERTY DESCRIPTION

The Ultimate in Luxury Island Living. Views, acreage and a stunning residence designed to meet your every need. Strategically placed on the gently sloping 4.5 acres, the home enjoys panoramic ocean views with spectacular sunrises and moon-rises. The property is expertly landscaped with privacy and beauty in mind and would lend itself well to a mini golf course.

Well known Kauai architectural designer Gary Tobey blends a Polynesian exterior with an Asian/Island interior exquisitely. The thatched roof entry sets the mood for your introduction to this real estate work of art. The center piece is the courtyard and your own private resort. By day, it is either a serene oasis perfect for sunbathing next to the salt water pool and spa or a gathering place for friends and family. The outdoor lanai that is fully equipped with a Viking BBQ, wok burner and bar ideal for entertaining. Your guests can enjoy drinks from the swim up bar stools or watch sports events on the big screen TV while floating in the pool.

By night, the courtyard is a world of enchantment with tiki torch lighting, the warm glow of the Hawaiian fire pit and the illuminated fiber optic pool and spa lights. Evenings are particularly special once a month as this property's east side location has a front row seat to spectacular Kauai moon rises. Mahina is the Hawaiian word for moon or moonlight and this exceptional property is aptly named Hale Mahina or House of Moonlight.

The main section of the home features the living, dining, master, 2nd bedroom and large office area. The master bedroom faces the Pacific Ocean and features a large walk in closet with center island drawers. The master bath offers the additional option of showering outdoors in the atrium waterfall shower. Afromosia wood soffits, travertine with bamboo inlay floors, granite and marble counters, ipe wood decks/lanais and many other custom features throughout the house.
